Profile

Results-driven and detail-oriented Frontend Developer with 1 year of experience creating dynamic and responsive web applications. Proficient in modern frontend technologies, with a focus on delivering high-quality user experiences. Adept at collaborating with cross-functional teams and leveraging strong problem-solving skills to overcome technical challenges. Passionate about staying current with industry trends and continuously expanding skill sets to drive innovation.

Experience

WEB DEVELOPER | S3G DEBT MANAGEMENT | SEPTEMBER 2023 - PRESENT

- Collaborated with cross-functional teams to translate design mockups into interactive and responsive web applications using React.js, JavaScript (ES6+), HTML5, and CSS3.
- Worked closely with UX/UI designers to ensure seamless integration of design elements and maintain a consistent user interface.
- Developed and maintained reusable components, ensuring code scalability and maintainability.
- Conducted code reviews to ensure adherence to coding standards and best practices.
- Implemented and maintained RESTful API integrations to fetch and update data dynamically.
- Optimized application performance through efficient coding practices and frontend technologies.
- Collaborated with backend developers to integrate frontend components with server-side logic.
- Stayed current with industry trends and emerging technologies, incorporating them into daily work to enhance project efficiency.
- Actively participated in sprint planning, stand-up meetings, and retrospectives, contributing to the continuous improvement of development processes.
- Resolved frontend-related bugs and issues, providing timely solutions to ensure a smooth user experience.

WEB DEVELOPER | SAMYAK IT SOLUTIONS | MARCH 2023 – AUGUST 2023

- Embarked on a dynamic 6-month internship at Samyak, gaining hands-on experience in front-end development and programming languages such as HTML, CSS, C, C++, and object-oriented programming (OOP).
- Worked closely with senior developers and project managers, contributing to the development of web applications and software solutions.
- Engaged in the entire software development life cycle, from concept and design to testing and deployment, providing a comprehensive understanding of the development process.
- Successfully implemented and maintained responsive and visually appealing user interfaces using HTML5 and CSS3.
- Acquired proficiency in C and C++, developing and debugging code for specific projects.
- Gained practical knowledge in object-oriented programming, applying OOP principles to enhance code structure and modularity.
- Demonstrated a proactive attitude towards learning and adapting to new technologies, showcasing dedication to professional growth.

WEB DEVELOPER | DOT SQUARE | JANUARY 2023 – FEBRUARY 2023

- Successfully completed a dynamic 2-month internship at DotSquare, specializing in web development and programming.
- Applied and honed skills in HTML5 and CSS3 to create visually appealing and responsive web pages, contributing to the enhancement of user interfaces.
- Gained hands-on experience in the C language, working on projects that involved algorithmic problem-solving and system-level programming.

Education

BACHELOR OF COMPUTER APPLICATIONS (BCA) | AUGUST 2022 - PRESENT | L.B.S. COLLEGE, RAJASTHAN, INDIA

HIGHER SECONDARY (12TH GRADE) | 2021-2022 | NAV BHARTI SCHOOL, RAJASTHAN BOARD, RAJASTHAN, INDIA

HIGHER SECONDARY (12TH GRADE) | 2021-2022 | NAV BHARTI SCHOOL, RAJASTHAN BOARD, RAJASTHAN, INDIA

Skills & Abilities

- Programming Languages:
 - C
 - C++
 - HTML5
 - CSS3
 - JavaScript
- Version Control:
 - Git
 - GitHub
- Integrated Development Environments (IDEs):
 - Visual Studio Code
 - Microsoft Visual Studio
- Web Development Framework:
 - React.js
- Software Applications:
 - Microsoft Office Suite
 - Google Workspace Applications

Activities and Interests

Tracking, Photography, Editing, Music,
